- 3.2. As it has been one of our main concerns to nurture students into effective and responsible learners, we expect that students are competent and conscientious and would not be absent from school without sufficient reasons .
- 3.3. Parents should write for a letter of permission if they need to apply for a leave of absence. Otherwise, students will be given demerits if they are absent from school without sufficient reasons.

Remarks:

- A "Parents-Also-Appreciate-Teachers" Card will be distributed to all parents. We are now inviting you to spend just few minutes filling the name of the teacher you feel grateful to and adding in your personal thank-you message and wishes, and return them to school Counter before Friday, 19 February. Those cards will be received by your respectful teachers in due course.
